

# How to send an invitation for others to join?

## Demonstration of Creating Sports Events

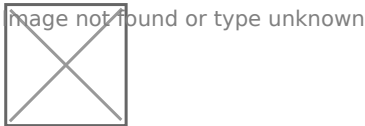

The video demonstrates how to create new sports challenges and invite friends or colleagues to join them.

[How to use distantrace.com to create new step challenge](#)

<https://youtu.be/1fGOxaBgK6A>

## Where to find the link to send to others?

In the "Access" section, both a link and a QR code are available that can be sent to others. By scanning this QR code with a phone or visiting the event link with a phone, the participant will be able to register for the created challenge.
