

K? pievienot klubam papildus administratorus

Klubam ir iespēja pievienot neierobežotu skaitu pārvaldības lietotājus.

Dodieties uz sadaļu "Members" un uzaiciniet cilvēku, ievadot viņa e-pasta adresi.

Ir iespējams norādīt 4 dažādus pieeju līmeņus:

- Administrators – pilnas tiesības
- Finances – iespēja redzēt finanses
- Support team – atbalsta komanda, kas neredz finanšu kopsavilkumus
- Ticket Scan – nav iespēja piekļūt sacensību pārvaldības skatiem, bet var izmantot mobilo lietotni, lai skenētu ieejas biļetes.

The screenshot displays a web interface for managing members. At the top, there are navigation tabs: Overview, Billing Data, Subscription, Billing History, and Members (which is currently selected). Below the tabs is a form with two input fields: the first contains the email address 'member@company.com' and the second contains the role 'Support team'. To the right of the second field is a dropdown arrow and a blue 'Invite' button. Below the form, there is a profile card for 'Agris Ameriks' with a circular profile picture and the role 'Admin' listed to the right.
